<DATE>

Dear Brother <Last Name>,

You have been a part of Indiana Theta's tradition of involvement at the chapter, on campus and around the country. Working together we accomplished great things on Darling Street, established ourselves as the leading Greek Organization at Trine University, and built one of the best chapters in the nation.

Today I call on you to stay involved as we launch our Alumni Communications Program. We will reconnect with each other through regular letters, newsletters, emails and events in Angola and locations across the country.

Our "Kick Off" event will be the SigEp Formal held on Saturday, March 31, 2012. The evening will be a celebration of fellowship between all SigEps and Alpha Gams and will include recognition of the graduating seniors, and awards for Alumni of the year and Active of the year.

A lot of great things are happening in both the active chapter and alumni association recently. Here are a few of the highlights:

- **Jeremy Howard '11** was named to ESPN's Academic All-American football team. Read his complete story on our website: www.LambdaHouse.org
- **Bill Stockberger '78** was presented the Lambda House Award of Excellence for his 37 years of continuous and outstanding service to Indiana Theta.
- **Engraved Brick Program.** A total of 22 bricks have been purchased with the proceeds going to the Annual Fund which helps to reduce the current house mortgage. Read more about our Engraved Brick Program on our website
- **Buchanan Cup.** The active chapter has made the decision to pursue another Buchanan Cup in 2013. For many alumni, the Buchanan Cup award was one of their most memorable achievements while an active.

OUR ALUMNI BROTHERS ARE OUR GREATEST ASSET. To succeed in our mission, we need your participation in our alumni association. Here's how you can get involved:

- **Attend the SigEp Formal.** Flip this page for full details and an RSVP form.
- **Become an active user of www.lambdahouse.org,** where you can browse more than 350 old photos scanned from slides, catch up on the latest chapter news, find details of upcoming events, help locate "Missing Alumni," and more.
- **Volunteer.** Whether you get involved as a pledge class or regional contact, or help on committees, you'll make a big impact on our mission to reconnect all brothers. Send in the form below. I can use your assistance.
- **Update your email address** and other contact information so we can communicate with you through both email and print. You can update your info online or on the form below.

This is just the beginning of a long-term dialogue to keep you informed and involved with the happenings on campus and among our Alumni. Now it is time to do your part. Stay connected.

We have a big challenge ahead. However, we know that the payoff for our Brotherhood is well worth the effort. Our bond is our three founding principals: Virtue, Diligence and Brotherly Love. I look forward to hearing from you, and to reconnecting in 2012.

Fraternally,

John Patota '80
