Dear Brothers,

Mike Fowler
Vice President

The Lambda House Board of Directors would like to extend our gratitude to the alumni, actives, their friends and family for making Homecoming Weekend another event that makes us all proud to be SigEps. It took everyone working together to make it a success.

Sam Hartman
Treasurer

A total of \$27,715 was raised over the weekend. Such a large sum of money is evidence of the alumni's confidence in the brotherhood to help continue the tradition of excellence. The money donated will be used help pay the down the new house loan and to develop a newsletter campaign. We are also working to create a scholarship program for new members in need.

We congratulate the actives for making the decision to pursue another Buchanan Cup in 2013. For many alumni the Buchanan Cup award was one of their most memorable achievements while an active. Indiana Theta can lay claim to being one of the best Sigma Phi Epsilon chapters in the county by wining 7 Buc Cups. Under your leadership, and support from Lambda House let's make it 8!

We are planning another alumni event with the chapter in the spring of '12. We hope this can be combined with a Sweetheart Ball. Still another event in the early planning stages is a chapter officer's retreat together with alumni.

Lambda House meetings occur monthly during the year via Sykpe and are open to all alumni and undergraduates. Please contact me or John Milliken for the date and time of the meetings. Your participation is welcomed.

Our success in the next year will in large part be based on how well we stay in tune to each other's needs, work together as a team, and follow thru on our plans.
